## 09

# Project Benefits: Ensuring Stability and Security

Our unique project benefits focus on maintaining token stability and security. Transactions contribute 0.5% to the liquidity pool when buying TCC tokens, while selling TCC tokens contributes 1%. This ensures a stable pool of assets and balance between buyers and sellers, creating a secure investment environment.

# TCC

<https://trade-crypto-coins.com>

## 10 Holders' Benefits Program: A Token Ecosystem That Rewards

Participate in the Holders' Program by holding a minimum of 1000 TCC Tokens. Holders receive a 1% BNB reward, 20% service payment discounts when using TCC Tokens, and a 10% "coupon code" for services when utilizing the swap engine for cryptocurrency trading. This ecosystem encourages token retention and promotes the use of TCC Tokens within our organization's ecosystem.
